

2015 Fall Ball -- Kindergarten Coach Pitch with Tee LEAGUE RULES

All coaches are expected to familiarize themselves with the rules regarding conduct of coaches, spectators and players toward paid FCBC Umpires.

Note: Home team wears the royal side of jersey. Dugouts are first-come, first-claimed.

RULE 1 -Players, Field and Equipment

Defense: There shall be 9 defensive players on the field at a time: 3 outfielders, 5 infielders and a catcher. All players are to play all positions during the season. Place no more than 2 coaches in the field to assist with coaching instruction and development of players as the game is played.

All fielders must stay behind the infield line and outfielders must stay behind the baseline until the ball is batted. The infield line is an arc, 40 feet from the point of home plate at all points. In the event that such a line is not physically drawn on the field, coaches shall keep all players within such a distance in accordance with the spirit of the rule.

Coach Pitch: Coach Pitch with Tee after 3rd Strike. See Rule 6 below for more information

Bases: The diamond shall be 50 feet between bases. Bases will be furnished by FCBC for game play. The official ball shall be a Safe-T-Ball provided by FCBC.

Hitting Aids: Only bats (including weighted warm-up bats) and items designed to remain part of the bat while warming up may be used for on-field, in-game warm-up. In other words, hitting aids – other than bat-weights (donuts, sleeves) – are not allowed for warm-up anywhere on the field (inside the fence in fair or foul territory) during a game. This includes Hurricanes, hitting sticks, Ts, and nets.

The size of gloves/mitts is not restricted.

No metal cleats allowed.

The catcher must at all times wear a helmet that includes ear protection.

Non-traditional playing equipment must be reviewed by the League commissioner(s) before it will be permitted.

Jewelry shall not be worn (See 3.3.1d) except for religious or medical medals ... these items must be taped and worn under the uniform.

LEAGUE RULES**

RULE 2 - Player Terms and Definitions

Bunting is not allowed.

There is no infield fly rule.

A half-inning is over when there are 3 outs or when the number of players in attendance of the larger team have batted. **There will be no coach-to-coach agreements made to change this rule.** A coach shall announce the last batter prior to their at-bat. The last batter (and all runners on base) will advance the appropriate number of bases earned by the batted ball (see Rule 5). Do *not* have the runners continue running after the play has completed.

RULE 3 - Substituting - Coaching - Bench & Field Conduct – Charged Conference

If a team has less than 8 players present at game time, it can borrow the needed players from the other team so long as the opposing team would still have at least 9 players. On defense, free substitution shall be allowed; *all players shall play at least every other inning.*

On offense the batting order shall contain the entire roster of players.

Player Removal: If a player is forced to leave the game due to injury or illness, an automatic out will not be charged in the batting order.

If a player who is an active baserunner is removed from the game due to injury, the player who made the last out shall be inserted as a courtesy runner.

With any injury that requires the removal of a player from a game, the player must have written permission from a parent (or legal guardian) to resume play.

A player who carelessly or unintentionally throws their bat or helmet shall receive 1 warning. Further infractions by the same player (or if the player intentionally throws their bat or helmet) shall result in the player being called out (if not already out) and in forfeiture of their next turn at bat (with an automatic out).

Use of tobacco or tobacco-like products within 250 feet of the dugout is prohibited for all players, coaches, and team personnel (scorekeepers, attendants, etc.). Offenders shall be ejected immediately upon discovery, and the league may impose additional sanctions.

RULE 4 --Starting and Ending the Game

A regulation game consists of 6 innings or 1 hour. No inning shall be started after one hour.

The league will not reschedule rainouts; managers may reschedule un-played games at their option.

RULE 5 - Dead Ball - Suspension of Play

Runners may *not* advance on overthrows. Once the defense has control of the ball in the infield, base running must stop. This rule is in place so that the defense is not disadvantaged for attempting to make a play! See also rule 8-1-1a.

RULE 6 – Pitching

A one knee under-hand soft toss technique or a one knee overhand throw will be used. If the batter cannot hit the soft toss or overhand pitch after three strikes, the ball will be placed on the tee where the batter will get 1 swing at the ball. Hitting the tee is a strike and the batter is out. If the batter hits a foul ball, he/she will be allowed to swing again.

The coach will under-hand toss or overhand throw from a distance of 20 feet.

There will be no balks, base on balls, or base awards for hit-by-pitch.

RULE 7 – Batting

All players shall bat continuously without substitution while on offense. There shall be no penalty for batting out of order ... however, in fairness to the players, teams are expected to maintain the same batting order throughout a game.

If 3 outs are recorded in the inning, the batting order resumes where it left off. The next batter in the lineup will start the next inning.

Any batted ball that does not go at least ten feet from the point of home plate shall be treated as a foul ball. If such an arc is not physically drawn on the field, the home plate umpire shall determine if the ball passed such a distance.

RULE 8- Base Running

Once the defense has control of the ball in the infield, base running must stop. Runners may *not* advance on overthrows.

Runners must remain in contact with their bases until the ball is hit. The first time a player leaves too soon, a warning shall be issued to the player. The second time, the player will be called out. Each player will be issued 1 warning per time on base. Warnings and penalties will be called immediately, and the ball will be considered dead before the play.

A batter is out when the umpire, regardless of whether the ball is caught by the catcher or not, calls the third strike. **Any combination of three strikes (swinging or looking) and the batter is out.**

No sliding is allowed.

RULE 9 - Scoring - Record Keeping

Official game scores and team standings will not be kept.

RULE 10 - Umpiring

Each team will provide one umpire for each game. Each umpire must be at least 14 years old. If a team cannot provide an umpire then 2 umpires from the other team will be provided.

Adult Pitchers will call balls and strikes while pitching (strike zone is *big* in this league!) and make the calls at home and third base.

The Field Umpire shall make the calls at first and second base and determine that all base runners remain in contact with their bases until the ball is hit.

2. Outfielders 1-3 must assume a position at least 70 feet from home plate.
3. Outfielders 1-3 must be evenly dispersed in the outfield.
