

# Playing Baseball This Summer?

**This Spring Training Program will help you to get ready!**

## Instructional Baseball Leagues

Our **Instructional Baseball Leagues** are designed for **Recreational** players (not for 'travel team' players). No experience is necessary. Instruction is provided by experienced, local baseball instructors. Leagues cover both individual and team skills. All baseball skills are covered (as time and age allows): hitting, base running, fielding, pitching, and position play.

Session time is split 50-50 between skill building through drills and small-sided, controlled games (no scores are kept). The focus is on **LEARNING** and on **HAVING FUN!**

## This program will be led by Coach Matt Carver

This program will be led by Coach Matt Carver, currently a senior at Colorado State University and a manager and baseball coach at The Edge Sports Center. Coach Carver grew up in Cheyenne, WY and has played competitive baseball since he was 9 years old. During his high school years, he played Varsity as a catcher on the Cheyenne American Legion Post 6 Baseball Team. He was also a coach in last Fall's FCBC Indoor Baseball League at The Edge and has been doing our Small Group Hitting Sessions since January.
